Activity Descriptions

Monday Morning Makeovers: Good morning, ladies! Come on down to the Community Center when your house is scheduled to get your makeup done for the day. If you have your own makeup, feel free to bring it with you.

Bake a Boston Cream Poke Cake for Evening Snack: Have you ever made a poke cake before? They are simple and decadent! The activities department will make one with each house and help dish it out for your evening dessert.

Battle of the Houses – Buffalo Trivia: During Thursday Happy Hour we will be testing each house on the Buffalo knowledge through trivia games throughout the month of July. The house that racks up the most points by the end of the month wins a party!

Women's Happy Hour: Come get to know your new Activity Director, Sharon Richards while sipping and snacking!
